

Influence and Power

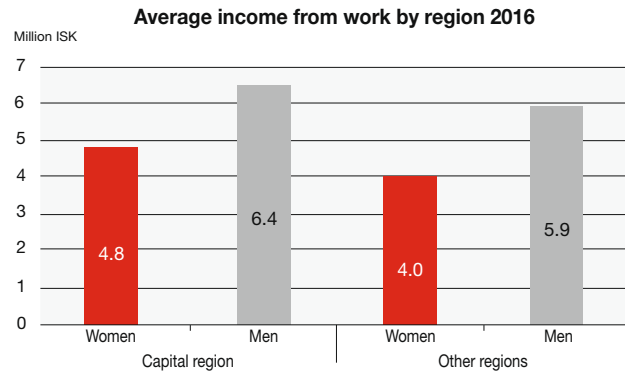

Positions of influence

Wages and Income

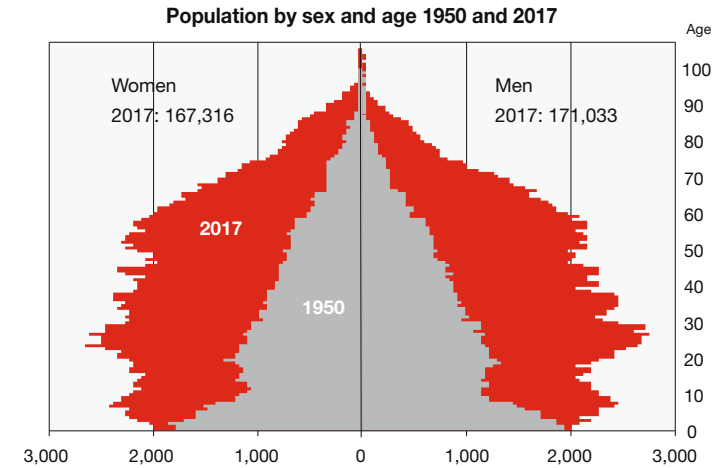

Note: (Men's hourly earnings - women's hourly earnings)/men's hourly earnings. Overtime payments and overtime hours are included in the GPG. The gender pay gap indicator has been defined as unadjusted i.e. not adjusted according to individual characteristics that may explain part of the earnings like occupation, education, age, years with employer etc.

Note: Annual wages and other work related income of those who have some income from work.
